

# Undergraduate Research Application

## Student Information

Department of Chemistry

*Franklin College of Arts and Sciences*

**UNIVERSITY OF GEORGIA**

Student Name\*

First

Last

Student's UGA Email Address\*

UGA ID Number \*

Student Phone\*

Please enter a number from 810000000  
to 829999999

## Selection of Research Supervisor

Choose a departmental Professor from the dropdown, then check Yes below. If the name is not there, check "No" below and add an external Professor's name

Name of departmental Professor \*

Email of departmental Professor\*

Was your requested Research Professor in the above dropdown list (check carefully before checking No)?\*

Yes

No

If not, please fill out the information for an external professor below

External Professor Name

External Professor Email

External Professor Department

## Course Selection

Term\*

Year\*

Select Course\*

How many credit hours?

Please enter a number from 1-6

**IMPORTANT!** Please be sure you have completed the prerequisites for Chem 4960R, 4970R, 4980R, 4990R: Organic Chemistry or Quantitative Analysis

## Project Description & Acknowledgments

Brief Description of Research Project\*

**REQUIRED STUDENT ACKNOWLEDGEMENT:** I understand that I am required to electronically submit a research paper or presentation (pdf format) to the undergraduate coordinator in order to receive a grade in this course. ACS format should be used for references. The deadline for submission is the last day of class for the semester.
